OX Software GmbH. Connector for Business Mobility End-User License and Maintenance Agreement

You (“Licensee”) agree to be bound by the terms of this EULA by clicking or tick marking “I accept” or entering “Yes” when asked whether you accept this Agreement, or by using the software. If you do not agree, do not click or tick mark “I accept” and do not enter “Yes” when asked whether you accept this Agreement, and do not use the software.

The Software

OX Software GmbH. (“Open-Xchange”) has created a proprietary software program called the Connector for Business Mobility (the “Software”), which synchronizes emails, contacts, calendar and tasks between mobile devices and Open-Xchange.

Licensees

Licensees are individuals, firms, organizations and entities - as the case may be - that purchase licenses granting the right to use the Software in accordance with the terms of this EULA.

License Grant

Subject to full payment of all applicable license fees and charges to Open-Xchange, Open-Xchange grants to Licensee the non-exclusive right to install, use the Software and have the Software used by end-users authorized by Licensee, in object-code form only, under the terms of this EULA, provided that the number of end-users authorized by Licensee to use the Software does not exceed the number of end-users covered by the offering (as defined below in sec. “Term and Termination”) purchased by Licensee. Licensee shall procure that end-users authorized by Licensee to use the Software adhere to the obligations under the terms of this EULA as if such end-users were Licensees themselves. “Use” means that Licensee may install, use, access, run, or otherwise read the Software into and out of memory in accordance with the documentation and the license grant from Open-Xchange. Licensee may copy the Software and its associated documentation for Licensee’s own use (i.e. for use by one individual) and for backup and archival purposes. Any use, copying, or distribution of the Software or its associated documentation not authorized by this Agreement may result in the termination of the license granted by this Agreement.

Restrictions

No Publication.

Except as otherwise specifically set forth in this Agreement, Licensee may not distribute, disclose, display, transmit, publish, resell, sublicense or otherwise transfer Software, nor allow the distribution, disclosure, display, transmission, publication, resale, sublicense or transfer of the Software, to any person, entity or other third party.

Limited Copies.

Licensee may not copy or allow copies of the Software to be made for any reason, except for Licensee’s own use (i.e. one individual) and for back-up and archival purposes.

No Modifications or Derivative Works.

Licensee may not make any changes or modifications in the Software, nor may Licensee create derivative works of the Software. Licensee may not decompile, disassemble, decrypt, extract or otherwise reverse

engineer the Software. Licensee may not remove, alter, cover, or distort any copyright, trademark or other proprietary rights notice placed by Open-Xchange in or on the Software or its documentation.

No Unlawful Use.

Licensee may not use the Software in any unlawful manner or for any unlawful purpose.

Maintenance

Subject to full payment of all applicable license and Maintenance fees to Open-Xchange, Open-Xchange shall provide Licensee with all corrections, revisions, patches, service packs, updates and subsequent releases of the Software (collectively referred to as "Subsequent Releases") made available by Open-Xchange during the term of this Agreement). All Subsequent Releases of the Software shall be made available via download at Open-Xchange's Maintenance Portal, <http://www.open-xchange.com/en/oxpedia>. Term and Termination of License Portion

The term of the License granted under the EULA to the Licensee shall commence on the day the Licensee clicks or tick marks "I accept" or enters "Yes" when asked whether Licensee accepts this Agreement, or by using the Software ("Effective Date") and continue in perpetuity ("License Term") unless terminated upon the occurrence of one or more of the following events:

- By Open-Xchange, if Licensee fails to pay any fees, charges or taxes due to Open-Xchange hereunder, provided written notice of such alleged default has been given to Licensee and Licensee has not cured such default within ten (10) days after receipt of such notice.
- By Open-Xchange, if Licensee is in default or breach of any material provision of this Agreement, provided written notice of such alleged default has been given to Licensee and Licensee has not cured such default within fourteen (14) days after receipt of such notice.

Upon the expiration or termination of Licensee's license, Licensee agrees to discontinue and any all uses of the Software and its documentation and to destroy all copies of the Software on Licensee's computers, disks and other digital storage devices.

Term and Termination of Maintenance Portion

The term of maintenance portion ("Maintenance") of the EULA shall commence on the day the Licensee clicks or tick marks "I accept" or enters "Yes" when asked whether Licensee accepts this EULA, or by using the Software. The Maintenance shall have an initial term of one (1) year from the Effective Date ("Initial Term") and shall remain in force until terminated upon the occurrence of one or more of the following events ("Maintenance Term"):

- By either party effective to any anniversary by providing written notice of termination to the other party of at least three (3) months prior to the end of any anniversary date, however, not before the end of the Initial Term.
- By Open-Xchange, if Licensee fails to pay any fees, charges or taxes due to Open-Xchange hereunder, provided written notice of such alleged default has been given to Licensee and Licensee has not cured such default within ten (10) days after receipt of such notice.

Trademarks

Open-Xchange is the sole owner of the OX trademark in the United States, the European Union and certain other countries. Licensee may not use any Open-Xchange trademark without Open-Xchange's prior written consent, which Open-Xchange may withhold in its discretion.

Copyrights

Licensee acknowledges that the Software and its documentation are protected by copyright and other laws and that Open-Xchange is the sole owner of all rights in and to the Software and its documentation. Licensee has no rights in the Software or its documentation except as set forth in this Agreement and in any other written agreement Licensee may have with Open-Xchange. In addition Licensee shall not remove any proprietary notices, labels, copyright marks, or trademarks.

Infringement

In the event that a third party brings a legal action against Open-Xchange alleging that use of the Software infringes a patent, copyright or trade secret, Open-Xchange reserves the right to modify or replace the Software in a manner that retains the same functionality and ease of use of the Software in all material respects, or to procure a license therefor. If Open-Xchange determines that no such alternative is reasonably available, Open-Xchange may terminate this Agreement and the license created by this Agreement and Licensee will cease all use of the Software. Open-Xchange will have no liability to Licensee as a result of such termination. **This section states the entire liability of Open-Xchange and its representatives for infringement.**

Backups

Licensee agrees regularly to back up the data Licensee derive from Licensee's use of the Software. Licensee acknowledges that any failure to do so may significantly decrease Licensee's ability to mitigate any harm or damage arising from any problem or error in the Software.

No Warranties

Open-Xchange delivers the Software on an "as is" basis. Any reliance upon the Software is at Licensee's own risk. Open-Xchange is not responsible for any consequence of Licensee's use of or reliance upon the Software.

To the maximum extent permitted by applicable law, Open-Xchange disclaims all warranties, either express, implied or otherwise, including, but not limited to, implied warranties of title, merchantability, or fitness for a particular purpose.

Limitation of Liability

To the maximum extent permitted by applicable law and regardless of whether any remedy herein fails of its essential purpose, in no event will Open-Xchange be liable for any special, incidental, indirect, consequential or punitive damages whatsoever arising out of this Agreement or the use of or inability to use the Software (including, without limitation, damages for lost information, lost profits or business interruption), even if Open-Xchange has been advised of or should have known of the possibility of such damages. In no event will Open-Xchange be liable for damages in contract, tort or otherwise in excess of the amounts received by Open-Xchange from LICENSEE for Licensee's use of Software during the one-year period immediately preceding the date the cause of action arises. In no event may Licensee bring an action against Open-Xchange more than one year after the cause of action arises. Some jurisdictions do not allow limitations on implied warranties or the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to Licensee. In such jurisdictions, Open-Xchange's liability is limited to the greatest extent permitted by law.

Licensee may not transfer, sublicense or assign the rights granted under this Agreement to any other person or entity, except that if Licensee is a Licensee with multiple licenses, Licensee may change the end-users authorized by it to use the Software from time to time.

U.S. Export Control Regulations

Neither the Licensee nor any end-user may export, re-export or deliver the Software, in whole or in part, to any person or entity where such export, re-export or delivery violates any U.S. export or national security control law or regulation. This Agreement will be governed by and construed in accordance with the laws of the State of New York, U.S.A, without regard to New York's conflict of laws principles.
